

CURRICULUM VITAE

NAME: George L. Eliceiri, M.D., Ph.D.

EDUCATIONAL BACKGROUND

M.D., University of Buenos Aires School of Medicine, Buenos Aires, Argentina

Ph.D. in Biochemistry, Oklahoma Medical Research Foundation, University of Oklahoma,
Oklahoma City, Oklahoma

PROFESSIONAL TRAINING

Graduate Fellow, Biochemistry Section, Oklahoma Medical Research Foundation, Oklahoma
City, Oklahoma

Postdoctoral Fellow, University of Chicago, laboratory of Samuel B. Weiss, Chicago, Illinois

Research Associate, Department of Pathology, laboratory of Howard Green, New York
University School of Medicine, New York, New York

ACADEMIC APPOINTMENTS

Instructor, Department of Cell Biology, New York University School of Medicine, New York,
New York

Assistant Professor, Saint Louis University School of Medicine, St. Louis, Missouri

Associate Professor, Saint Louis University School of Medicine, St. Louis, Missouri

Professor, Department of Pathology, Saint Louis University School of Medicine, St. Louis,
Missouri

Member, Cancer Center, Saint Louis University, 2008-present

Member, Washington University Institute of Clinical and Translational Sciences, 2010-present

HONORS AND AWARDS

Damon Runyon Memorial Cancer Fund Postdoctoral Fellowship

U.S. Public Health Service Special Fellowship

U.S. Public Health Service Research Career Development Award

PROFESSIONAL ACTIVITY

Past Member, NIH Biomedical Sciences Study Section

Member of Cell Biology Peer Review Panel, Breast Cancer Research Program, Department of Defense CDMRP, June 2010

Member, Editorial Board, Cell Health and Cytoskeleton, 2008-present

Member, Executive Editorial Board, International Journal of Clinical and Experimental Pathology,
2009-present
