

# CURRICULUM VITAE

**ERIC B. STAROS, M.D.**

## **A. Personal Information**

Marital status: Married  
Citizenship: United States

## **B. Education**

### **Undergraduate degree**

B.A., Biophysics, University of Pennsylvania, Philadelphia, PA 1977

### **Graduate degree**

M.D., Washington University School of Medicine, St. Louis, MO 1981

### **Postgraduate training**

Weill Cornell Medical College, New York Presbyterian Hospital, AP/CP Pathology Residency, 1981 – 1982  
Drexel University College of Medicine, Hahnemann University Hospital, AP/CP Pathology Residency, 1982 – 1985, Chief Resident, 1984 – 1985

## **C. Board Certifications and Licensure**

American Board of Pathology, Anatomic Pathology and Clinical Pathology 1985  
American Board of Pathology, Cytopathology 1992

Illinois 036.091321, Indiana 010526609 (inactive), Iowa 37224, Minnesota (Telemedicine Registration) 1290, North Dakota 10715, Ohio 35.088309, Wisconsin 50406-020, Arkansas E-5209 (inactive), Kansas 32046 (inactive), Kentucky 40451 (inactive), Michigan 4301088689 (inactive), Missouri 2011020508 (active), Nebraska 23743 (inactive), Pennsylvania MD029356E (inactive), South Dakota 6064 (inactive), West Virginia 22840 (inactive)

## **D. Current Position**

Saint Louis University School of Medicine, St. Louis, MO                      08/2011 – present  
    Associate Professor of Pathology  
    Director of Clinical Pathology  
    Director of Cytopathology

## **E. Previous Professional Experience**

Saint Louis University School of Medicine, St. Louis, MO                      07/1985 – 06/1987  
    Assistant Professor, Pathology  
    Director of Hematology Laboratory

Germantown Hospital and Medical Center, Philadelphia PA Pathologist	07/1987 – 06/1988
Thomas Jefferson University, Jefferson Medical College Philadelphia, PA Assistant Professor of Pathology	07/1988 – 01/1991
Lankenau Hospital, Wynnewood, PA Associate Pathologist	01/1991 – 08/1995
Assistant Professor of Pathology, Rush University Medical Center, Chicago, IL	1999 – 2011
SmithKline Beecham Clinical Laboratories, Inc., Chicago, IL Medical Director, Cytopathology/Histopathology	08/1995 – 02/1999
Quest Diagnostics Incorporated, Schaumburg, IL Associate Director, Clinical Pathology Laboratory Director (CLIA), Interim Medical Director of Anatomic Pathology, Associate Director of Clinical Pathology	02/1999 – 02/2011 01/2000 – 02/2009 02/2009 – 02/2011

#### **F. Clinical Staff Appointments**

Saint Louis University Hospital, St. Louis, MO Department of Pathology	07/1985 – 06/1987
Germantown Hospital and Medical Center, Philadelphia, PA Pathologist	07/1987 – 06/1988
Thomas Jefferson University Hospital, Philadelphia, PA Department of Pathology	07/1988 – 01/1991
Lankenau Hospital, Wynnewood, PA Pathologist	01/1991 – 08/1995

#### **G. Professional Society Memberships**

American Society for Clinical Pathology  
College of American Pathologists  
American Medical Association  
National Member, Pennsylvania Association of Pathologists  
Illinois Society of Pathologists  
Association for Molecular Pathology

#### **H. Honorary Societies, Honors, and Awards**

None

## I. Professional Services

Hospital Quality Committee, Thomas Jefferson University, Jefferson Medical College, 07/1988 – 01/1991  
Tissue Committee, Lankenau Hospital, 01/1991 – 08/1995  
Best Practice Team, Immunology/Serology/Flow Cytometry, Quest Diagnostics/SBCL, 1991 – 2011  
Critical Value (Clinical Pathology) Chairperson, Quest Diagnostics, 2000 – 2003

## J. Research Support

None

## K. Bibliography

### Scientific Publications

1. Lemmon V, **Staros EB**, Perry HE, Gottlieb DI. A monoclonal antibody, which binds to the surface of chicken cell and myotubes: Cell selectivity and properties of the antigen. *Brain Research* 1982; 3:349-350.
2. **Staros E**, Katz SM. Myocardial necrosis in light chain deposition. *Am Heart J.* 1985; 110(6):1295-6.
3. **Staros EB**. The St. Louis Encephalitis Epidemic. *Hospital Practice* 1988; 23(7):57-72.
4. **Reisinger S, Staros EB**. Survival and Failure Analysis in Stage II Endometrial Cancer Utilizing the Revised 1988 FIGO Staging System. *Int. J. Radiation Oncology Biol. Phys* 1991; 21(4):1027 - 1032.
5. Reisinger S, **Staros EB**, Feld R, Mohiuddin M, Lewis GC. Preoperative radiation therapy in clinical stage II endometrial carcinoma. *Gynecol Oncol.* 1992; 45(2):174-8.
6. **Staros EB**, Shikitus W. Atypical Polypoid Adenomyoma with Carcinomatous Transformation: A Case Report. *Surgical Pathology* 1991; 4(2):157-166.
7. Sachs MK, Fraimow HF, **Staros EB**, et al. Mycobacterium intracellular soft tissue infection. *J Am Acad Dermatol.* 1992; 27(6): 1019-21.
8. **Staros EB**. Molecular discoveries alter our view of inflammatory bowel disease: A review from a scientific, clinical and laboratory perspective. *Amer J Clin Path.* 2003; 119(4):524-39.
9. **Staros EB**. Inflammatory bowel disease: A genomic picture predicts a changing response from the Laboratory-Part I. *Laboratory Medicine* 2004;4(35):241-3.
10. **Staros EB**. Inflammatory bowel disease: A genomic picture predicts a changing response from the laboratory-Part II. *Laboratory Medicine* 2004;5(35):292-8.
11. **Staros EB**. Innate immunity: New approaches to understanding its clinical significance. *Amer J Clin Path* 2005; 123(2):305-12.
12. **Staros EB**. Innate immunity's connection to atherosclerosis and statins: Can the clinical laboratory venture beyond C-reactive protein? *Amer J Clin Path* 2006; 125:1-8.

13. **Staros EB.** Different Chromosomal Translocations in MALT Lymphoma Promote Cancer Through a Common Mechanism. *Lab Medicine* 2010; 41(6):334-337.

### **Non-Scientific Publications**

Staros, EB: On Call, Washington University Alumni Magazine. Fall issue, 18- 21, 1981.

### **L. Current and Past Teaching Responsibilities**

Medical Student teaching:

Saint Louis University School of Medicine  
Sophomore general pathology course  
Immunopathology and autoimmune disease lectures 1985 – 1987

Thomas Jefferson University  
Sophomore general pathology course  
Neoplasia, hematopathology and lymphoma lectures 1988 – 1995  
Small group pathology laboratories 1987 – 1995  
Senior medical student pathology elective course  
Plasma cell dyscrasias Spring 1989  
Melanocytic lesions Spring 1989  
Myelodysplasia Spring 1989

Rush University  
Sophomore general pathology course, School of Medicine  
Neoplasia lectures 2005 – 2008  
Small group pathology laboratories 1999 – 2011

Pathology resident teaching:

One-on-one teaching pathology residents at surgical and cytology sign-out  
Saint Louis University 1985 – 1987  
Germantown Hospital 1987 – 1988  
Thomas Jefferson University 1988 – 1991  
Lankenau Hospital 1991 – 1995

Attended and participated in pathology resident teaching conferences  
Rush University 1995 – 2011

Continuing Medical Education presentations

Topics in Cytology. Illinois Society of Cytology, Elk Grove, IL 04/25/2009  
Clinical Pathology for GI disease. Texas Osteopathic Medical Society, Fort Worth, TX 04/20/10

**M. Thesis, Dissertation, and Postdoctoral Supervision**

None

**N. Supplemental Material**

None

**O. Community Service**

Participation in Barrington town spring clean-ups	1995 – present
South Barrington Committee on Health, South Barrington, IL	2003
Camping Committee Director, Boy Scouts of American, Troop 10, Barrington, IL	2003 – 2010
Adult leader, Napawan Boy Scout Camp	2005 – 2009
Eagle Scout Project Advisor, Northwest Suburban Council, Boy Scouts of America	2006 – 2009
St. Anne’s Catholic Church, Hoffman Estates, IL, men’s weekly Bible study	2008 – present
