

Greetings from Saint Louis University:

Your high school student has initiated registration in one or more Saint Louis University (SLU) college-level courses through SLU's [1818 Advanced College Credit Program](#), a dual credit program offered in your student's high school.

Phuong Boyer

PARENT/GUARDIAN ACKNOWLEDGEMENT REQUIRED

You are receiving this email because your student is a sophomore or because your student is a junior or senior who does not meet the minimum eligibility requirements (a minimum cumulative, weighted GPA of 3.0) for enrollment in an 1818 course. SLU requires your electronic signature below, by which you acknowledge your student's request to enroll in college credit through SLU 1818 Program courses.

In addition, by providing your electronic signature below, you are acknowledging the following:

1. Your student's completion of 1818 Program courses will establish an official, permanent SLU academic transcript.
2. Grades and credit earned through 1818 Program courses will create a college GPA for your student, which will be incorporated into your student's GPA if they enroll at SLU as a full-time undergraduate.
3. Tuition for each 1818 Program course is \$75 per credit. Students with outstanding bills will not be eligible to enroll in 1818 Program courses in future terms and may not receive or release copies of their official transcript until those bills are paid in full.
4. Your student's registration in 1818 Program courses is governed by the [1818 Program Handbook](#), the [Student Handbook](#), SLU's [academic integrity policy](#), the [SLU Catalog](#), and all other SLU academic and non-academic policies. Additional information is available by contacting the 1818 Program office directly at (314) 977-1818 or 1818@slu.edu.

You must confirm your student's enrollment by February 21, 2025. If we do not hear from you, your student will be removed from the class, with no financial penalty. There are no exceptions to this deadline.

If you have questions or need any additional assistance, please contact the 1818 Program at 314.977.1818 or 1818@slu.edu.

We are excited to welcome you and your student into the Billiken family and are here to support you!

Sincerely,

Beth Collier
1818 Program Director

Please note that the student's GPA is self-reported, so if you based upon the information provided in the student application.
